CLLR CUSTANCE REPORTS ON A YEAR AS YOUR LOCAL COUNCILLOR IN ABBOTSFORD

Councillor Val Custance lives with her family in Abbotstford and works all year round for the local community. Val is part of your Councillor team who have delivered a freeze in council tax for the last 3 years, helping hard working families across Erewash.

CLlr Custance is available seven days a week, all year round to help with your enquiries. Speaking in Abbotstford, Val said "Residents should always contact me if they need help with local services.

Local amenities and parks, plus environment and leisure services are an important part of our community. My job is to always represent local views and solve problems if they arise. Housing matters are essential, and have a 100% success rate with resolving issues with Three Valleys Housing in Erewash."

As a mother and grandmother Val, one of Val's main priorities is supporting local schools and making sure that the very best education is available for all young people in the area.

CLlr Custance worked on a borough wide initiative, at the Erewash Jobs Fair, organised by Jessica Lee MP. The event was attended by hundreds of people and offered training, apprenticeships and employment opportunities for all ages. Speaking at the event Val commented "The Jobs Fair has been busy all day with many commenting on the wide range of employment on offer. I'm really glad I have been able to help out at this important event."

In March Erewash Borough Council will be holding its annual spring clean blitz, where residents and councillors are encouraged to pick up litter, paint over graffiti and make Erewash a cleaner and safer place. CLlr Custance will be taking part across Abbotstford and is encouraging residents to get involved too. Val Said: "I urge all residents to get involved to help make Abbotstford a cleaner and safer place. To help out, call Pride in Erewash on 0115 9072244."

I have continued to lobby the Secretary of State for Transport, the Rt Hon Patrick McLoughlin, for Ilkeston Station to be re-opened. The Government has created a fund for new stations; Ilkeston was mentioned a prime example of an acceptable bid. I am determined to progress this as best I can.

It was my pleasure to assist the Travers family from Ilkeston, in Parliament and Ilkeston, in their quest to raise money and awareness for the Cancer charity the Anthony Nolan Trust. After experiencing the illness in the family they got together to give something back.

There have been many memorable occasions which I could report on, I have included a few this issue but will come back with more in the future. Seeing local Ilkeston firm, Derwent Analytics (right), take on young apprentices from my jobs fair was one. Standing with the Royal British Legion (left) collecting donations for poppy's is always an absolute honour.
